

## Independent Nursing Care Flu Immunization Program

### **Flu season is right around the corner!**

Beat the bug! Independent Nursing Care, LLC would like to help you and your employees stay healthy this coming flu season by announcing the *2022 Independent Nursing Care Flu Immunization Program!* Our program will be offered to local companies from September 1, 2022 through November 30, 2022. We have over 25 years' experience providing flu shots to companies like yours.

### **Let us host your on-site workplace flu shot clinic!**

- All vaccinations will be administered by a Registered Nurse!
- NO COMPANY IS TOO SMALL
- Help your employees stay healthy and productive all winter.
- Getting the flu shot at work is easy and convenient for your employees.

### **Get your flu shot and beat the bug!**

- Getting your flu shot is the best way to protect against the flu virus.
- The annual flu shot is recommended for everyone over the age of 6 months.
- Invite employees' family members to attend the clinic.

### **The flu shot is covered by insurance!**

- Most insurance plans accepted as payment for the flu shot.
- Hosting a clinic is a low-cost solution to help your employees stay healthy.
- There *may* be a minimal administrative fee to bring a flu shot clinic to your workplace.
