

INDEPENDENT NURSING CARE

Completing your circle of care

Did you know 10,000 cardiac arrests happen in the workplace every year.
Bystander CPR can double or even triple someone's chance of survival after cardiac arrest.

Schedule your workplace CPR/AED training to equip your employees with lifesaving skills needed to react during a cardiac emergency.

- INC is an AHA Training center providing CPR/AED Training for companies like yours for over 20 years
- AHA Certified instructors provide your employees with high quality comprehensive training
- INC provides training at your workplace for your convenience
- Classes are offered at convenient and flexible times

Choose from the following classes:

- Family & Friends CPR/AED
- Heartsaver CPR/AED
- Heartsaver CPR/AED First Aid
- BLS CPR/AED for Providers

"The CPR class was very informative and thorough. We are grateful to have had this opportunity to share life saving measures with our teams. Thank you for all your time and effort in helping us with this event."
